

# COLEBY'S JEWELLERS, BILLERICAY

CLIENT:  
COLEBY'S JEWELERS

PROGRAMME LENGTH:  
4 WEEKS

PROJECT VALUE:  
£70,000

**West 1 Ltd was engaged to execute a high end retail fit-out and turn-key design package to complement the client's established brand, mission & forward business strategy.**

The existing dilapidated retail unit was stripped out to shell and core, before a comprehensive three week fit-out programme was adopted. New ceilings and wall linings were installed throughout, together with kitchenette, new back office and front of house.

A bespoke joinery package was installed, including new reinforced glass display cabinets. A new shop frontage was installed, including entrance, signage and branding.

Comprehensive cutting edge security systems were installed as part of the project, together with a full re-wire and design lighting package.

The project was executed under an accelerated programme to ensure the launch date stayed as forecast.
